Hello and welcome back to the final term for 2015. Time has flown this semester and we have so much happening. All our students had a wonderful time on their reward excursion to Allstars Gymnastics in Toowoomba at the end of term 3. Everyone participated and had a good in-depth experience in using the gym equipment and trying new things. It was a great sight to see our students trying to climb out of the foam pits, Mrs. Hollitt and I had a little giggle to ourselves each time a hand, then a groan, then a set of eyes dragged their way over the edge of the pit. This was a very exciting way to conclude our PDHPE programs for the term and the students have put in a request to do something similar for PDHPE in term 4 to finish off the year-long programs we run at Mingoola PS.

This term we will be starting our Kindergarten Transition Program, this will run on even weeks, on a Thursday. The program staggers each Thursday until the end of the term when the students are attending a full school day. Kindergarten Orientation Parent Information session will be held on Thursday 15th October from 9-9:30am. Kindergarten students can then stay until 11am when they will need to be collected. If you need to make any alternate arrangements, please contact Mrs. Todd at the school as soon as possible. Orientation program is attached for your information.

Our Sydney excursion is coming up and the students are busily practicing their skills and working hard to prepare for the trip.

Our Director, Sue Brown will be visiting our school next week and she is hoping to make it back for an additional trip for our presentation night to see all the hard work our students have been doing this year and all the wonderful learning experiences they have been a part of.

Focuses for our school this term will be First Aid training, policy updating, long term programming for 2016 and applying for funding to support the continuation of our music program.

Thank you
Mrs. Jackie Todd
